De Zhong is a bilingual (English & Mandarin) emcee, singer-pianist and actor with over 15 years of stage experience hosting corporate galas, weddings, brand activations and media launches across Singapore. A charisma coach with 5 years in classrooms, he brings the same stage presence and audience command into workshops that build confidence and public speaking skills in others. He runs The Charisma Code, partnering with a trusted network of vendors and collaborators — but on stage, it's his energy, bilingual delivery and rapport with a crowd that clients keep coming back for, backed by a strong digital following and a 5-star Google rating.
